- Takashi (photographer) has carefully chosen images for his Open Edition (Black and White, Colors, Vertical Composition) and Limited Edition collections. Print sizes are based on camera sensor format, usually the aspect ratio of 3:2. They are printed on premium quality cotton, bamboo, or Kozo (Washi) based paper using archival EPSON UltraChrome inks by Giclée Print method. Museum Canvas Wrap prints are also available. We custom print and frame if need. Once the print is made, Takashi signs the print. Certificate of Authenticity comes with both Open and Limited Edition prints. Please allow 4 weeks processing for the prints and 6 weeks for framed photo.
